1. Entrants must complete all information above and include this form with each entry they submit.
2. Contestants may submit multiple entries, but only one may receive a prize. An Entry Application and Rules must accompany each entry.
3. All entries must depict projects completed in 2017.
4. Entries must be submitted to first to participating stores.
5. All entries must be emailed and must include at least six (6) attachments:
  - This Entry Application and Rules.
  - A thorough description of the project in complete sentence and paragraph form - Microsoft Word .doc or .docx. only. Caution: do not include the name of the store or store or store-employee names. A list of materials used in the project is a plus. Please proof for accuracy and clarity. Winning entries may be edited
  - At least four (4) high-resolution photographs – 300 dpi or greater is required. Less than 300 dpi may be rejected. Each photograph MUST be a separate JPEG attachment. Do not imbed photos in either the email or write-up. At least one “before” photo, two “in progress” photos and one “finished” photo. Complex projects may benefit from additional photos.
6. Participating stores will accept entries until midnight, October 31, 2017.

7. Participating stores will forward the top three winning entries in each category (Construction/remodeling and Art/furniture) to [ReuseContest@TheReUsePeople.org](mailto:ReuseContest@TheReUsePeople.org) by November 30, 2017.

8. TRP will announce national winners no later than January 15, 2018.

9. All entries received by TRP will become the property of The ReUse People of America.
